

LUSEAUX®

# CLEAR DRI

## SOLID RINSE ADDITIVE FOR DISH MACHINES

**GENERAL DESCRIPTION:** A high quality ready-to-use solid rinse aid for low temperature dishwashing machines. CLEAR DRI will eliminate spots and streaks on glass and dinnerware under the most severe conditions including water with high solids. The package is safe and easy to use. Each jar can provide over 4000 cycles. Best results are obtained in temperatures around 140 degrees and medium to soft water.

**ADVANTAGES:**

- Ready to use
- Eliminates spots and streaks
- Safe and easy to handle packaging
- Great results in water with high solids

**PROPERTIES:**

Color	Blue
Odor	Mild
Form	Liquid
Solubility	Complete
pH-1% solution	Approx: 5 to 6

**APPLICATION:** Use material through proper dispenser only. Remove closure from container. Place container into dispenser open end down. A qualified service representative should adjust dispenser according to water, soil conditions, and application. When container is empty, remove from dispenser and turn upright. Rinse container and use lid from new container to seal the used one. Container can then be turned into your local recycler.

**CAUTION:** Eye and skin irritant. Avoid contact with eyes. Keep out of reach of children.

**PACKAGING:** Case 2/5# jars

Always consult the MSDS sheet for any hazardous ingredient information, precautions for safe handling and use, health hazard data, or other information regarding this product.
