

LUSEAUX®

DMC NO. 7

MECHANICAL DISHWASHING COMPOUND

GENERAL DESCRIPTION: A premium quality mechanical dishwashing compound designed for use in the hardest water. Contains chlorine as well as a special low-foam wetting agent that promotes efficient soil removal, quick rinsing action and fast stain removal. Glasses drain spot free.

ADVANTAGES:

- For use in the hardest water
- Efficient soil removal
- Quick rinsing action
- Fast stain removal
- Pre-measured packaging

PROPERTIES:	Color	White
	Odor	Mild chlorine
	Form	Granular powder
	Solubility	Moderate
	Sudsing	Controlled foaming
	Rinseability	Excellent
	Hardness tolerance	To 20 grains/gallon
	Titer	Approx. 4 drops*
	ph-1% solution	Approx: 11.0

APPLICATION: For an average 20-gallon machine use approximately $\frac{1}{2}$ to $\frac{3}{4}$ cup of DMC NO. 7 to charge the machine. Add sparingly as rinse water dilutes wash water. During continuous operation add approximately $\frac{1}{2}$ cup to 5 to 7 trays depending upon workload and degree that wash solution becomes diluted. Not recommended for use on sterling silver or silver plate.

CAUTION: May burn or irritate eyes. May be irritating to skin. Avoid contact. Harmful if swallowed. Keep out of reach of children.

PACKAGING:

- 30 lb Pail
- 50 lb Ctn.

Always consult the MSDS sheet for any hazardous ingredient information, precautions for safe handling and use, health hazard data, or other information regarding this product.
