

LUSEAUX®

# PREMIUM TRUCK WASH

## INDUSTRIAL FORMULA WASH POWDER

**GENERAL DESCRIPTION:** A premium quality, concentrated detergent for the removal of dirt and road grime from vehicles. May also be used for cleaning floors in lube bays and cleaning equipment and machinery. Suitable for brush and steam machines. Safe for all automotive surfaces. Contains three different cleaning agents to remove a variety of soils. Also contains water conditioning ingredients.

**ADVANTAGES:**

- Concentrated
- Safe on all automotive surfaces
- Can be used in hard water
- Contains three different cleaning agents

**PROPERTIES:**

Color	Dark Pink
Odor	None
Form	Granular powder
Solubility	Complete
Detergency	Excellent
pH-1% solution	Approx. 12.1

**APPLICATION:** To make a liquid concentrate, mix one pound of Premium Truck Wash to 5 gallons of water. This may be adjusted according to application. For hand washing of vehicles, mix ½ gallon of concentrate to 5 gallons of water. For plastics, leather, and upholstery, spray solution from bottle onto surface. Wipe surface. Rinse thoroughly. For cold high pressure and brush machines, mix one pound of Premium Truck Wash to 5 gallons of water. Adjust as soil conditions warrant. For steam and hot pressure devices mix one pound of Premium Truck Wash with 5 to 30 gallons of water, depending on soil load. For floors and walls, mix ½ pound of Premium Truck Wash to 5 gallons of water. Use a brush and rinse thoroughly. Always wear goggles and gloves when handling and always rinse thoroughly.

**CAUTION:** Eye irritant. May cause burning or itching of skin. Harmful if swallowed. For eye and skin contact, flush with water for 15 minutes and consult a physician. Keep out of reach of children.

**PACKAGING:** 400 lb. Drum

Always consult the MSDS sheet for any hazardous ingredient information, precautions for safe handling and use, health hazard data, or other information regarding this product.
