

LUSEAUX®

SOLID SENSE

SOLID MANUAL DISHWASHING DETERGENT

GENERAL DESCRIPTION: A solid encapsulated manual dishwashing detergent formulated to handle the heavy soils associated with pots and pans and still yield sparkling glassware results. This product must be used with proper dispensing equipment. Also good for light duty mopping, hard surface cleaning, and in light soil loads as a flatware pre-soak.

ADVANTAGES:

- Dispensed – reduces over use
- Safe for all washable surfaces
- Removes heavy soils
- Easy to use

PROPERTIES:

Color	Light green
Odor	Lemon
Form	Solid
Solubility	Complete
Detergency	Excellent
pH-1% solution	Approx: 9.2

APPLICATION: Use material through proper dispenser only. Remove closure from container. Place container into dispenser open end down. Use ¼ to ½ ounce per gallon of water. A qualified service representative should adjust dispenser according to water and soil conditions. When container is empty, remove from dispenser and turn upright. Rinse container and use lid from new container to seal the used one. The container can then be turned in to your local re-cycler.

CAUTION: Solutions of this material are eye irritants. Avoid contact. Repeated or prolonged contact with strong solutions may be irritating to skin. Keep out of reach of children.

PACKAGING: Case 2/5 lb Jars

Always consult the MSDS sheet for any hazardous ingredient information, precautions for safe handling and use, health hazard data, or other information regarding this product.
