

SAFETY DATA SHEET

Revision Date: March 11, 2014

Page 1 of 6

SECTION 1: IDENTIFICATION

Product Identifier

Product Name: Floor Clean

Recommended Use of the Chemical and Restrictions on Use

Recommended Use: Hard Surface Cleaner for Asphalt Tile and Linoleum

Details of the Supplier of the Safety Data Sheet

Supplier Address: Luseaux Laboratories, Inc. Luseaux Laboratories Inc.
4625 N Santa Fe Drive or 16816 Gramercy Place
Kingman, AZ 86401 Gardena, CA 90247

Emergency Telephone Number

Company Phone Number: Arizona Location: 928-692-0192
California Location: 310-324-1555

Emergency Telephone: CHEMTREC: 1-800-424-9300

SECTION 2: HAZARDS IDENTIFICATION

Appearance: Tan granular powder

Physical State: Powder

Odor: Pine odor

Classification

| | |
|-----------------------------------|------------|
| Skin corrosion/irritation | Category 2 |
| Serious eye damage/eye irritation | Category 2 |

Signal Word

Warning

Hazard Statements

Causes skin irritation

Causes severe eye irritation

Precautionary Statements – Prevention

Wash face, hands and any exposed skin thoroughly after handling.

Wear protective gloves/protective clothing/eye protection/face protection

Precautionary Statements – Response

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs: Get medical advice/attention.

Take off contaminated clothing and wash before reuse

Hazards Not Otherwise Classified (HNOC)

May be harmful if swallowed

Other Information

Not Applicable

| |
|----------------------------------------------------------|
| SECTION 3: COMPOSITION/INFORMATION ON INGREDIENTS |
|----------------------------------------------------------|

| Chemical Name | CAS No | Weight-% |
|--------------------------------------|------------|-----------------|
| Trisodium Phosphate Dodecahydrate | 10101-89-0 | Not identified* |

*The specific percentages are not identified due to "Trade Secret" status. In emergency situation, further information may be obtained by calling the emergency information number listed above. Reference 29 CFR 1910.1200

| |
|--------------------------------------|
| SECTION 4: FIRST AID MEASURES |
|--------------------------------------|

First Aid Measures

| | |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Inhalation | Remove victim to fresh air and keep at rest in a position comfortable for breathing. If symptoms persist, get medical advice/attention. |
| Eye Contact | Immediately flush with plenty of water. After initial flushing, remove contact lenses and continue flushing for at least 15 minutes. If eye irritation persists: Get immediate medical advice/attention. |
| Ingestion | Rinse mouth. Immediately give large amount of water. Do NOT induce vomiting. Never give anything by mouth to an unconscious person. Call a POISON CENTER or doctor/physician. |
| Skin Contact | Wash with plenty of water. Take off contaminated clothing. Wash contaminated clothing before reuse. If skin irritation occurs: Get medical advice/attention. |

Most Important Symptoms and Effects, both Acute and Delayed

| | |
|-----------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Symptoms | Eyes may have symptoms of redness, itching, irritation, burning, and watering from overexposure. Prolonged or repeated skin contact may cause irritation and redness. Ingestion may cause burning of the mouth and digestive tract. Inhalation may cause coughing, wheezing, and shortness of breath. |
|-----------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Indication of any Immediate Medical Attention and Special Treatment Needed

| | |
|---------------------------|--------------------------------------------------------------------------------------------------------------------|
| Note to Physicians | Treat symptomatically. Medical conditions aggravated by exposure: Individuals with chronic eye and skin disorders. |
|---------------------------|--------------------------------------------------------------------------------------------------------------------|

| |
|------------------------------------------|
| SECTION 5: FIRE-FIGHTING MEASURES |
|------------------------------------------|

Suitable Extinguishing Media

Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

Unsuitable Extinguishing Media: Not determined.

Specific Hazards Arising from the Chemical

Not flammable.

Protective Equipment and Precautions for Firefighters As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

SECTION 6: ACCIDENTAL RELEASE MEASURES**Personal Precautions, Protective Equipment and Emergency Procedures**

Personal Precautions: Use personal protective equipment as required. Remove soiled clothing and laundry before reuse.

Environmental Precautions: See Section 12 for additional ecological information.

Methods and Material for Containment and Cleaning Up

Methods for Containment: Prevent further leakage or spillage if safe to do so.

Methods for Cleaning Up: Sweep up small spills or flush to a sanitary sewer. Recoup useable material from large spills. Sweep up contaminated material and place into containers for disposal.

SECTION 7: HANDLING AND STORAGE**Precautions for Safe Handling**

Advice on Safe Handling: Handle in accordance with good industrial hygiene and safety practice. Do not breathe dust/fume/gas/mist/vapors/spray. Wash face, hands, and any exposed skin thoroughly after handling. Use personal protection recommended in Section 8. Keep material dry.

Conditions for Safe Storage, Including and Incompatibilities

Storage Conditions: Keep containers tightly closed in a dry, cool and well-ventilated place. Store locked up.

Incompatible Materials: Strong acids.

SECTION 8: EXPOSURE CONTROLS/PERSONAL PROTECTION**Exposure Guidelines****Appropriate Engineering Controls**

Engineering Controls Apply technical measures to comply with occupational exposure limits.

Individual Protections Measures, such as Personal Protective Equipment

Eye/Face Protection: Wear approved safety goggles.

Skin and Body Protection: No protective equipment is needed under normal use conditions.

Respiratory Protection: No protective equipment is needed under normal use conditions.

General Hygiene Considerations: Handle in accordance with good industrial hygiene/safety practices.

| |
|----------------------------------------------------|
| SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES |
|----------------------------------------------------|

Information and Basic Physical and Chemical Properties**Physical State:** Powder**Odor:** Pine Odor**Appearance:** Tan Granular Powder**Color:** Tan

| Property | Value | Property | Value |
|--------------------------|----------------|------------------------------|-----------------------|
| pH – 1% solution | Approx: 11.0 | Melting/freezing point | Not applicable |
| Boiling point | Not applicable | Flash point | Non-flammable |
| Evaporation rate | Not applicable | Flammability | Not determined |
| Flammability limits/ air | Not determined | Vapor pressure | Not applicable |
| Vapor density | Not applicable | Specific gravity | Not applicable |
| Water solubility | Moderate | Solubility in other solvents | Not determined |
| Partition coefficient | Not determined | Auto-ignition temp | Not determined |
| Decomposition temp | Not determined | Kinematic viscosity | Not determined |
| Dynamic Viscosity | Not determined | Explosive properties | Not determined |
| Oxidizing properties | Not determined | Bulk Density | 60 lb/ft ³ |

| |
|---------------------------------------------|
| SECTION 10: STABILITY AND REACTIVITY |
|---------------------------------------------|

Reactivity

Not reactive under normal conditions

Chemical Stability

Stable under recommended storage conditions.

Possibility of Hazardous Reactions

None under normal processing; reacts with acids to release large volumes of carbon dioxide and heat.

Conditions to Avoid

Keep out of reach of children.

Incompatible Materials

Corrosive to aluminum; avoid acids & oxidizing.

Hazardous Decomposition Products

None known

| |
|----------------------------------------------|
| SECTION 11: TOXICOLOGICAL INFORMATION |
|----------------------------------------------|

Information on Likely Routes of Exposure**Product Information**

| | |
|---------------------|-------------------------------------------------|
| Inhalation | Avoid inhalation of dust. |
| Eye Contact | Causes serious eye irritation. |
| Skin Contact | Causes skin irritation under prolonged contact. |
| Ingestion | May be harmful if swallowed. |

Component Information

| Chemical Name | Oral LD50 | Dermal LD50 | Inhalation LC50 |
|-----------------------------------------------|--------------------|-----------------------|------------------------------------|
| Trisodium Phosphate Dodecahydrate; 10101-89-0 | = 7400mg/kg (Rat) | > 7940 mg/kg (Rabbit) | - |
| Trade Secret* | = 2800 mg/kg (Rat) | > 2000 mg/kg (Rabbit) | 800 mg/m ³ (Guinea pig) |

Information on Physical, Chemical and Toxicological Effects

Symptoms Please see section 4 of this SDS for symptoms.

Delayed and Immediate Effects as well as Chronic Effects from Short and Long-term Exposure

Carcinogenicity Not classifiable as a human carcinogen.

Numerical Measures of Toxicity-Product

Not determined

| |
|-------------------------------------------|
| SECTION 12: ECOLOGICAL INFORMATION |
|-------------------------------------------|

Not determined

| |
|--------------------------------------------|
| SECTION 13: DISPOSAL CONSIDERATIONS |
|--------------------------------------------|

Waste Treatment Methods

Disposal of Wastes Disposal should be in accordance with applicable regional, national and local laws and regulations.

Contaminated Packaging Disposal should be in accordance with applicable regional, national and local laws and regulations.

| Chemical Name | California Hazardous Waste Status |
|---------------|-----------------------------------|
| Trade Secret* | Corrosive |

| |
|------------------------------------------|
| SECTION 14: TRANSPORT INFORMATION |
|------------------------------------------|

Note Please see current shipping paper for most up to date shipping information, including exemptions and special circumstances.

DOT Not regulated

IATA Not regulated

IMDG Not regulated

| |
|-------------------------------------------|
| SECTION 15: REGULATORY INFORMATION |
|-------------------------------------------|

International Inventories**Legend:**

TCSA – United States Toxic Substances Act Section 8(b) inventory

DSL/NDL – Canadian Domestic Substances List/Non-Domestic Substances List

EINECS/ELINCS – European Inventory of Existing Chemical Substances/European List of Notified Chemical Substances

ENCS – Japan Existing and New Chemical Substances

IECSC – China Inventory of Existing Chemical Substances

KECL – Korean Existing and Evaluated Chemical Substances

PICCS – Philippines Inventory of Chemicals and Chemical Substances

US Federal Regulations

SARA 311/312 Hazard Categories

US State Regulations

Calif. Prop. 65 Warning: This product may contain a trace amount of one or more of the chemicals on the California list of known carcinogens or substances known to cause birth defects or other reproductive harm. These are not added to the product but occur naturally in the raw materials or processing equipment.

U.S. State Right-to-Know-Regulations

| SECTION 16: OTHER INFORMATION | | | | |
|--------------------------------------|-----------------------|---------------------|-------------------------|----------------------------|
| <u>NFPA</u> | Health Hazards | Flammability | Instability | Special Hazards |
| | 2 | 0 | 0 | Not determined |
| <u>HMIS</u> | Health Hazards | Flammability | Physical Hazards | Personal Protection |
| | Not determined | Not determined | Not determined | Not determined |

Disclaimer

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of publication. The information is designed only as guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text.
